BACHELORETTE EDITION

What's in Your Cell Phone?

Take out your cell phones, ladies. Have the host read each question aloud and be sure to share your pictures, admit if you have Candy Crush and own up to the number of exs still inexplicably in your contact list. Set a time limit of 30 seconds for questions that require you to find something, like a photo or song.

- ____ +3 for the most contacts
- ____ +3 for the fewest contacts

- ____ +1 if you've already Instagrammed a photo of this party
- ____ +5 if you have a photo of the bride in a white dress

____ Go into your recently used emojis. +1 for each of the following you've recently used: diamond ring, diamond, the bride, bouquet, and the chapel with the heart (the emoji for wedding, of course!)

- ____ +5 if you don't have an emoji keyboard
- _____ -1 for each ex's phone number still in your contacts
- ____ +2 if the last person you called was your Mom
- ____ +1 for a dating app
- ____ +1 if you have a fitness-related app
- ____ +1 if the last picture you took was of food

____ Text your Mom or Dad and ask them to send you a picture. Whoever's parent replies first scores +5

+1 for every person you have listed under a description rather than their real name, for example "Guy at the Bar," "Landlord" or "Mother-in-law." Number must be a personal phone, not a business. Vote on the weirdest and award +5.

____ Ask the bride what song she and her fiancé plan to dance to at their wedding or what "their song" is if they haven't decided yet. +1 if you have it.

____ -1 if you have Candy Crush

____ +1 for every contact with the same first name as the groom. +3 if you have the groom's number (and you're not his sister or fiancée—sorry, ladies!).

Your name: __
